

MD-S

Moshon Data Slab Target

Low cost, portable demonstration target

Moshon Data Slab Target

This inflatable target is designed as a very low cost portable demonstration target. Constructed to a very high standard, the MD-S has all the features of the more expensive models..

Low cost, portable vehicle target

The ultra portable MD-S can be collapsed in minutes and stored in a bag. Customisable to your desired image, it can also be used as a quick test target as it is easy to set up and quick to use.

The MD-S target is suitable for demonstrating:

- ✓ AEB City
- ✓ FCW
